Force Shaping

■ Force Shaping Phase I

- Goal: Meet FY05 authorized end strength and balance AFSC requirements across the AF**
- Achieved FY05 authorized end strength in May 05**
- Retrained or separated 300 enlisted personnel**

■ Force Shaping Phase II

- Goal: Meet FY06 authorized end strength and balance AFSC requirements across the AF**
- Began 18 Nov 05**
- Will involuntarily retrain up to 777 active-duty Airmen**
 - Not enough AFSC cross-trainee volunteers in Phase I**
- Limited voluntary separation opportunities for those Airmen/NCOs who don't want to cross train**
- No enlisted personnel involuntary separation currently projected**
- Career Job Reservation program continued for First Term Airmen**

U.S. AIR FORCE

Force Shaping Con't

■ Force Shaping Phase II

- AF over-manned by ~4,000 officers**
- Officers 2002 & 2003 Year Groups vulnerable to Force Shaping Board (FSB) involuntary separation**
 - Not all AFSC's vulnerable - only over-manned career fields**
 - Voluntary separations have eliminated FSB requirement for some career fields**
 - Details on FSB vulnerability broken out by AFSC:**
 - <http://www.afpc.randolph.af.mil/retsep/shape.htm>**

U.S. AIR FORCE

Changes in Enlisted Force Structure

- **Changes in Enlisted Force Structure**
 - **Goal: Best use of talents, skills, education and experience of Airman in overall mission accomplishment**
 - **Tied future assignments and force development structure together**
 - **Codified in AFI 36-2618 Enlisted Force Structure changes**
 - **Clarifies NCO and SNCO responsibilities**
 - **Standardizes duty titles across Air Force**
 - **Increased emphasis on frequency of PME**
 - **PME for Chief Master Sergeants**

U.S. AIR FORCE

Fit to Fight -- Air Force Fitness Test Changes

- **Changes to AFI 10-248 “Fitness Program”**
 - **Change in how body composition is measured**
 - **Body composition scores no longer based solely on abdominal circumference**
 - **Body composition measured using body mass index (BMI)**
 - **BMI Formula: Divide weight in pounds by height in inches squared and multiply the result by 703**
- **Airmen with a BMI of less than 25 will earn the full 30 points for body composition**
- **Airmen who score a BMI 25 and above will use results of the waist measurement for their test score**
- **<http://www.consumer.gov/weightloss/bmi.htm>**

U.S. AIR FORCE

Fit to Fight -- Air Force Fitness Test Changes

- **Changes to AFI 10-248 “Fitness Program”**
 - **Change in number of days an Airman must wait before retesting after having scored in the marginal category**
 - **Between 70 and 74.9 points - retest at 90 days**
 - **Below 70 points - retest at 90 days**
- **Minimum passing score still 75 points**
 - **Refer to AFI 10-248, Attachment 12 to determine your minimum and maximum score requirements**
 - **Osan Health and Wellness Center has additional material on exercise, nutrition and fitness test**

Combat Wingman Program

- **Why a Wingman Program?**
 - **We are all Airmen**
 - **We have accomplished a lot to make our nation safe and secure**
 - **Our mission is demanding**
 - **Asks a lot of each individual and his family and friends**
 - **Every Airman needs someone to look out for him, mentor him and 'watch his back' - Everyone needs a Wingman**

U.S. AIR FORCE

What is Your Wingman Responsibility?

- **Get to know your Wingman**
 - **Have the courage to care - ask questions**
 - **Recognize the signs of stress and intervene when necessary**
 - **Keep them squared away**
 - **Spend time together**
- **Walk the talk**
 - **Become “well” yourself**
 - **Change starts with you...you are responsible for the organizational climate**

U.S. AIR FORCE

Safety

- **Impacts our most valuable resources**
 - **Airmen**
 - **Accidents degrade mission readiness**
